

Infinite Corridor

Infinite Corridor captures the energy of the masses of students, faculty, staff, and visitors coursing through MIT's Infinite Corridor. It conjures up the determination and excitement of pushing towards a limitless future, discovering the new while being guided by past innovations.

Infinite Corridor was commissioned by the Council for the Arts at MIT, for the MIT Wind Ensemble, for MIT's Next Century Convocation, April 10, 2011. It was written while in residence at Yaddo.
